III. GENERAL MANDATES

1. General Mandate to Repurchase Shares

A resolution will be proposed at the AGM to grant a general mandate to the Directors to exercise the powers of the Company to undertake repurchases of the Company's fully paid up ordinary shares representing up to a maximum of 10% of the issued ordinary share capital of the Company as at the date of passing the relevant resolution (the "**Repurchase Mandate**"). The Repurchase Mandate will be expired or lapsed at the earliest of:

- (i) the conclusion of the 2009 Annual General Meeting of the Company;
- (ii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting; and
- (iii) the expiration of the period within which the 2009 Annual General Meeting of the Company is required by the Articles or the laws of the Cayman Islands to be held.

An explanatory statement required to be sent to you in compliance of the requirements under the Listing Rules is contained in Appendix I to this circular.

2. General Mandate to Issue Shares

At the annual general meeting of the Company held on 26 April 2007, approval was given by the Shareholders for the granting of, inter alia, the general mandate to the Directors to allot, issue and otherwise deal with ordinary shares up to 20% of the issued ordinary share capital of the Company as at the date of passing the relevant resolution (the “**Previous Issue Mandate**”). In accordance with the terms of the approval, the Previous Issue Mandate will expire at the conclusion of the AGM. To keep in line with the current corporate practice, the grant of a fresh general mandate for the same purpose is being sought from the Shareholders. The Directors consider that the fresh general mandate will provide flexibility to the Directors to allot, issue and deal with ordinary shares in the Company when it is appropriate. Up to the Latest Practicable Date, no shares have been issued pursuant to the Previous Issue Mandate.

A resolution will be proposed at the AGM to grant the Directors a general mandate to allot, issue and otherwise deal with ordinary shares up to 20% of the issued ordinary share capital of the Company as at the date of passing the relevant resolution (the “**Issue Mandate**”). As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 4,438,967,838 fully paid ordinary shares of HK\$0.1 each. Subject to the passing of the relevant resolution at the AGM, the Company would be allowed under the Issue Mandate to allot, issue and otherwise deal with a maximum of 887,793,567 ordinary shares of HK\$0.1 each on the basis that no further ordinary shares will be issued or repurchased prior to the date of the AGM. In addition, a resolution will also be proposed to authorise the extension of the Issue Mandate, which would increase the limit of the Issue Mandate by adding to it the number of ordinary shares repurchased by the Company under the Repurchase Mandate. The Issue Mandate will be expired or lapsed at the earliest of:

- (i) the conclusion of the 2009 Annual General Meeting of the Company;
- (ii) the revocation or variation of the Issue Mandate by an ordinary resolution of the Shareholders in a general meeting; and
- (iii) the expiration of the period within which the 2009 Annual General Meeting of the Company is required by the Articles or the laws of the Cayman Islands to be held.

IV. AGM

A notice convening the AGM is set out in Appendix II to this circular. A form of proxy for use at the AGM is also enclosed herewith. To be valid, the form of proxy must be completed in accordance with the instructions printed thereon and deposited, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power of attorney or authority at the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong not less than 48 hours before the time appointed for holding the AGM. Completion and delivery of the form of proxy will not prevent you from attending and voting at the AGM.

V. PROCEDURES FOR DEMANDING A POLL

Pursuant to article 72 of the Articles, a resolution put to the vote of a general meeting of the Shareholders shall be determined in the first instance by a show of hands of the Shareholders present in person or by proxy, but a poll may be demanded (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) by:

- (a) the chairman of the meeting; or
- (b) at least three Shareholders present in person (or, in the case of the Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (c) by any Shareholder or Shareholders present in person (or, in the case of the Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or
- (d) by any Shareholder or Shareholders present in person (or, in the case of the Shareholder being a corporation, by its duly authorised representative) or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

VI. RECOMMENDATION

The Directors believe that the re-election of Directors and the granting of the Issue Mandate and the Repurchase Mandate to the Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all the Shareholders should vote in favour of the resolutions to be proposed at the AGM in respect thereof.

VII. GENERAL

Your attention is drawn to the Appendices to this circular.

Yours faithfully,
By Order of the Board
Polytec Asset Holdings Limited
Or Wai Sheun
Chairman

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to you for your consideration of the proposed Repurchase Mandate.

REASONS FOR SHARE BUYBACK

Although the Directors have no present intention of repurchasing any shares of the Company, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders. At any time in the future when shares of the Company are trading at a discount to their underlying value, the ability of the Company to repurchase shares will be beneficial to those Shareholders who retain their investment in the Company since the earnings per share and their percentage interest in the assets of the Company would increase in proportion to the number of shares repurchased by the Company. Repurchases will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

SHARE CAPITAL

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 4,438,967,838 fully paid ordinary shares of HK\$0.1 each. Subject to the passing of the relevant resolution at the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 443,896,783 ordinary shares of HK\$0.1 each on the basis that no further ordinary shares will be issued or repurchased prior to the date of the AGM.

FUNDING OF REPURCHASES

The Directors propose that repurchases of ordinary shares under the Repurchase Mandate in these circumstances would be financed from the Company's distributable profits and proceeds of a fresh issue of shares. In repurchasing shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2007) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make purchases under the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

The Directors are not aware of any consequences which will arise under The Hong Kong Code on Takeovers and Mergers (the “Code”) as a result of any purchases to be made under the Repurchase Mandate. However, if as a result of a repurchase the proportionate interest in the voting rights of the Company of a Shareholder increases, such increase will be treated as an acquisition for the purposes of the Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Code.

As at the Latest Practicable Date, Marble King International Limited held 2,642,064,812 ordinary shares in the issued ordinary share capital of the Company, representing approximately 59.52% of the Company’s issued ordinary share capital. If the powers of the Company to make purchases under the Repurchase Mandate is exercised in full, the total interest of Marble King International Limited would be increased to approximately 66.13% of the issued ordinary share capital of the Company. Accordingly, Marble King International Limited would not have any obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Code.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell shares to the Company or its subsidiaries under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any shares of the Company, or that they have undertaken not to sell any shares held by them to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

SHARES PURCHASES MADE BY THE COMPANY

No purchase of shares of the Company has been made by the Company during the last six months (whether on the Stock Exchange or otherwise).

MARKET PRICES

The highest and lowest prices at which ordinary shares of the Company have been traded on the Stock Exchange during each of the previous twelve months from March 2007 to February 2008 and the period from 1 March 2008 to the Latest Practicable Date were as follows:
